FOREWORD

"With them the seed of Wisdom did you sow.....
Pause with us now in reflection of your labors.

Herein are recorded the unyielding realizations of your harvests.
Demeter has cast her lot.

Fear not, because you are unchosen and seem foolish. Heed the
penetrating message of the all-seeing Porphyry.

.....the Bird of Time has but a little way to flutter.....and the Bird is on
the Wing."

ADVERTISEMENTS

*DEDICATED TO
PROFESSOR LANGDON B. TAYLOR*

The Porphyry staff of 1959 respectfully dedicates this annual to Professor Langdon B. Taylor in recognition of his wholehearted, capable and conscientious efforts in molding future engineers.

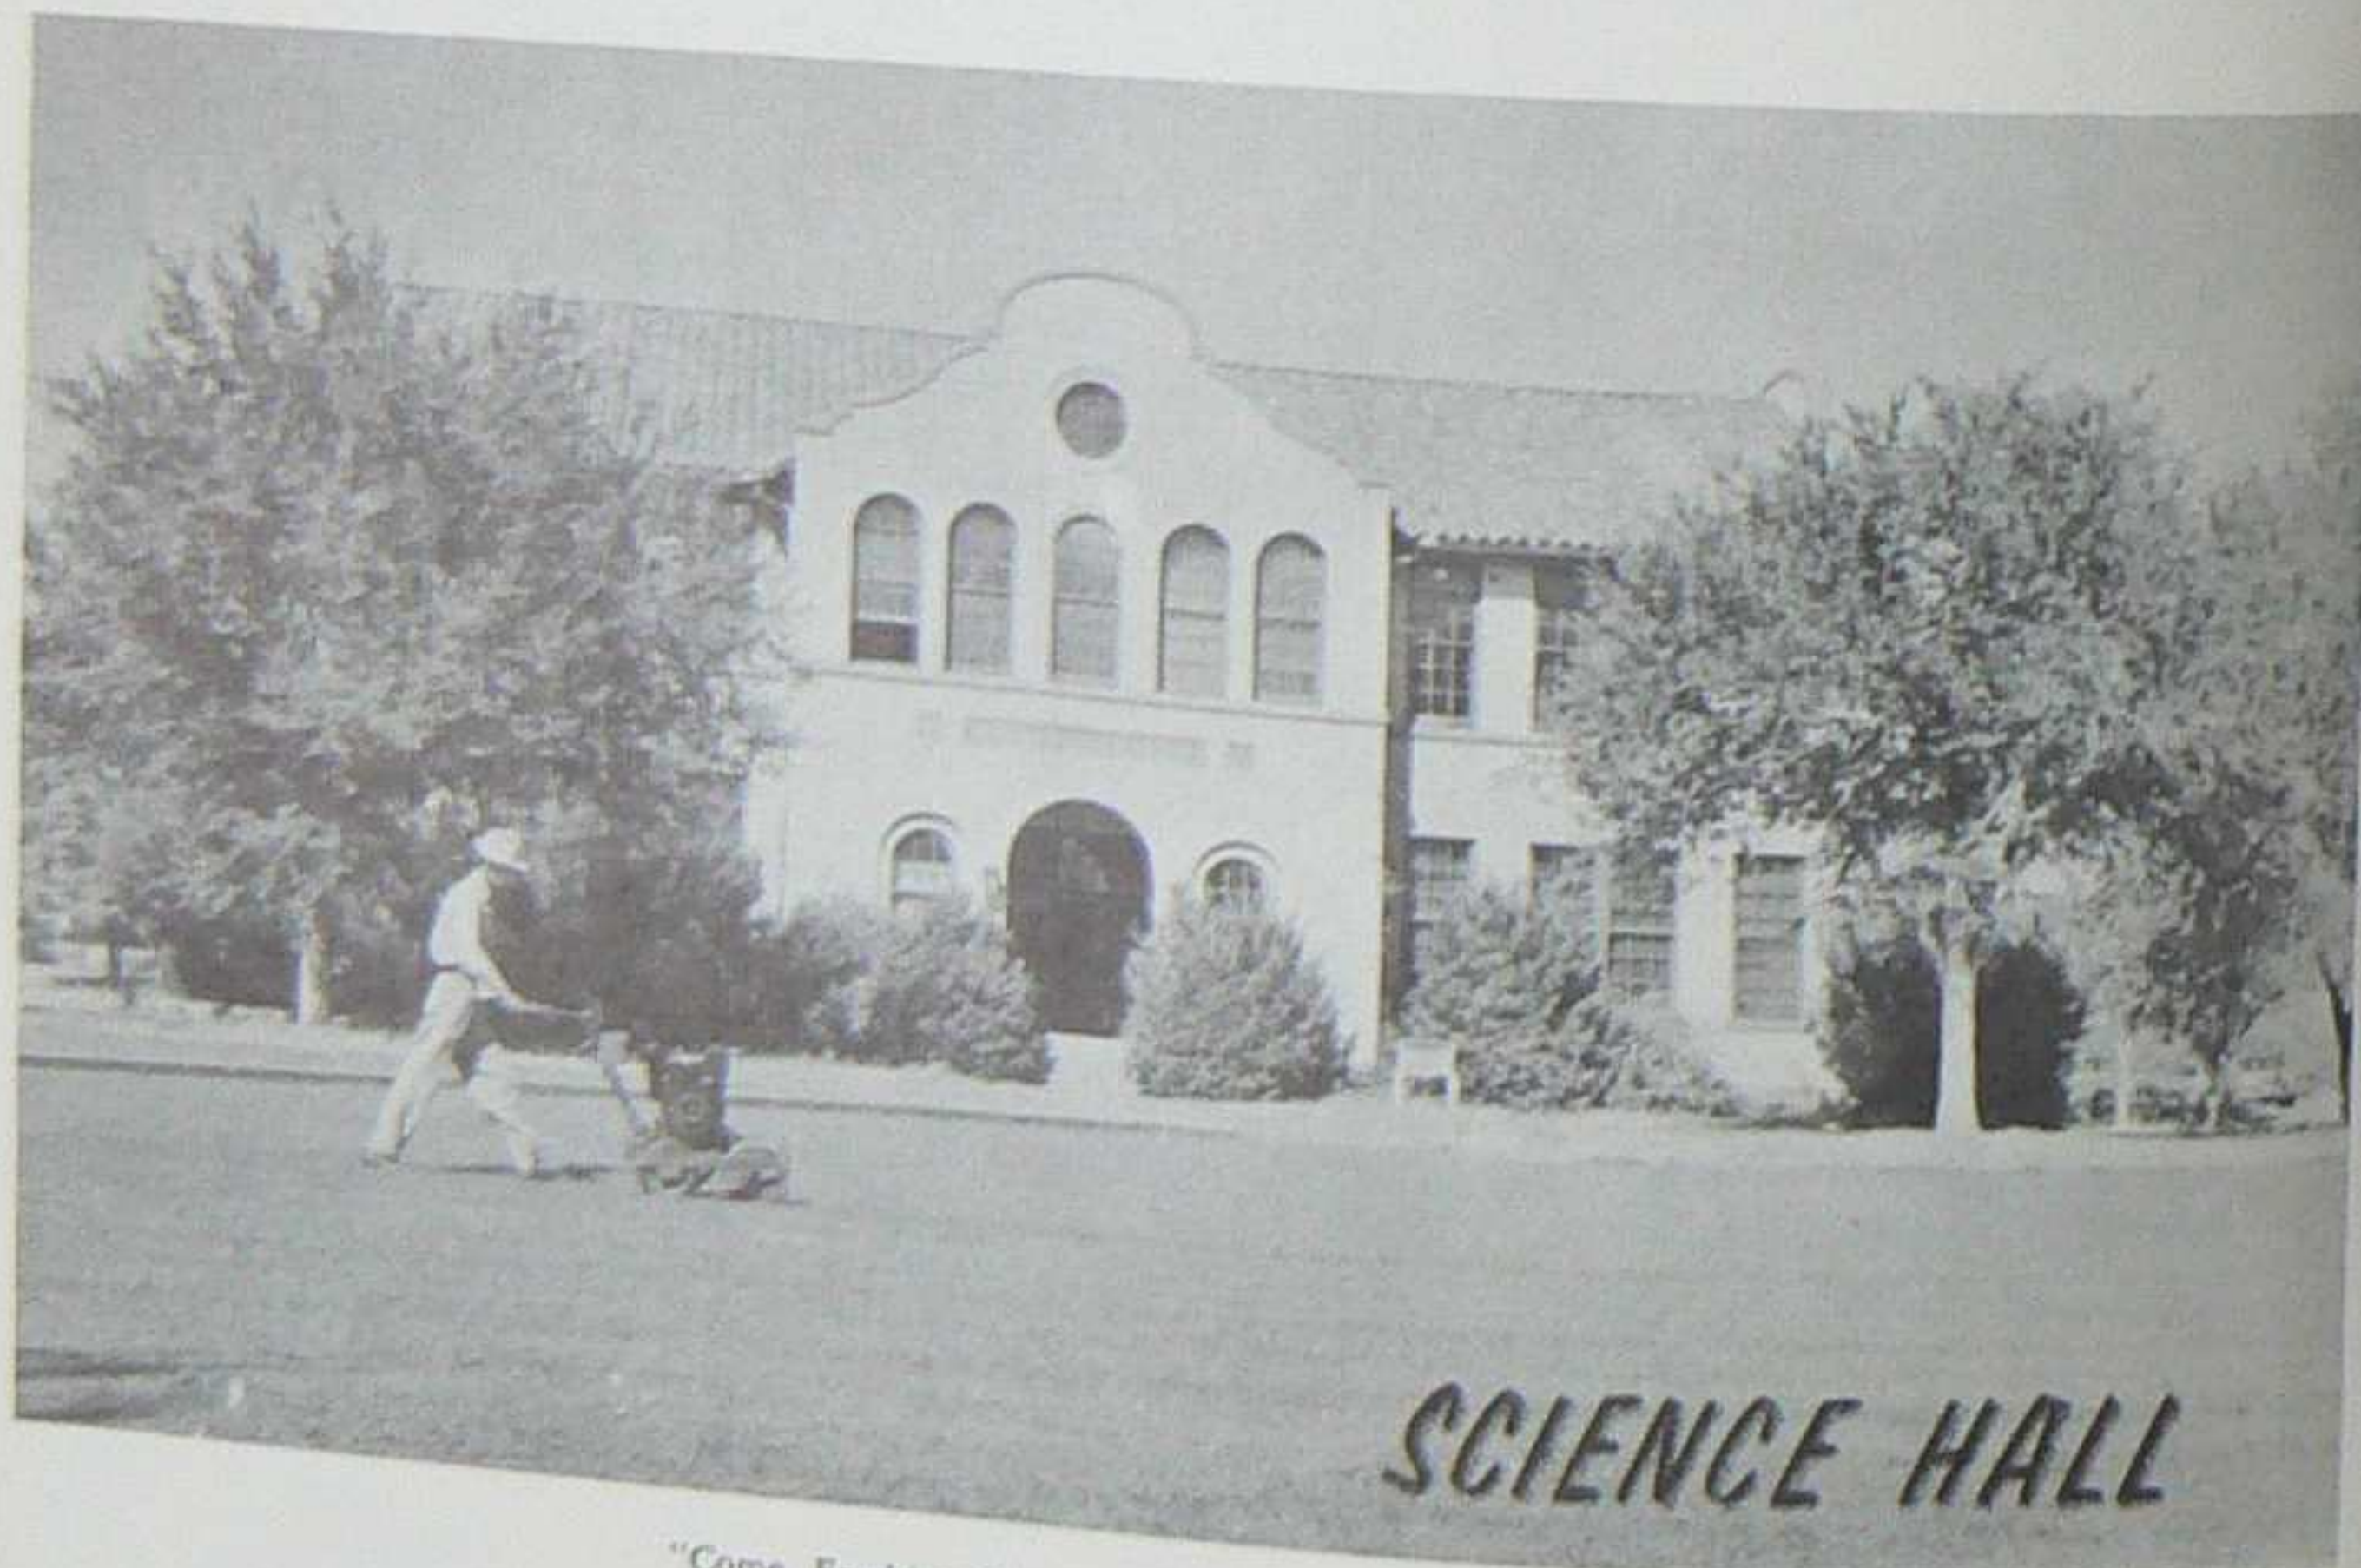

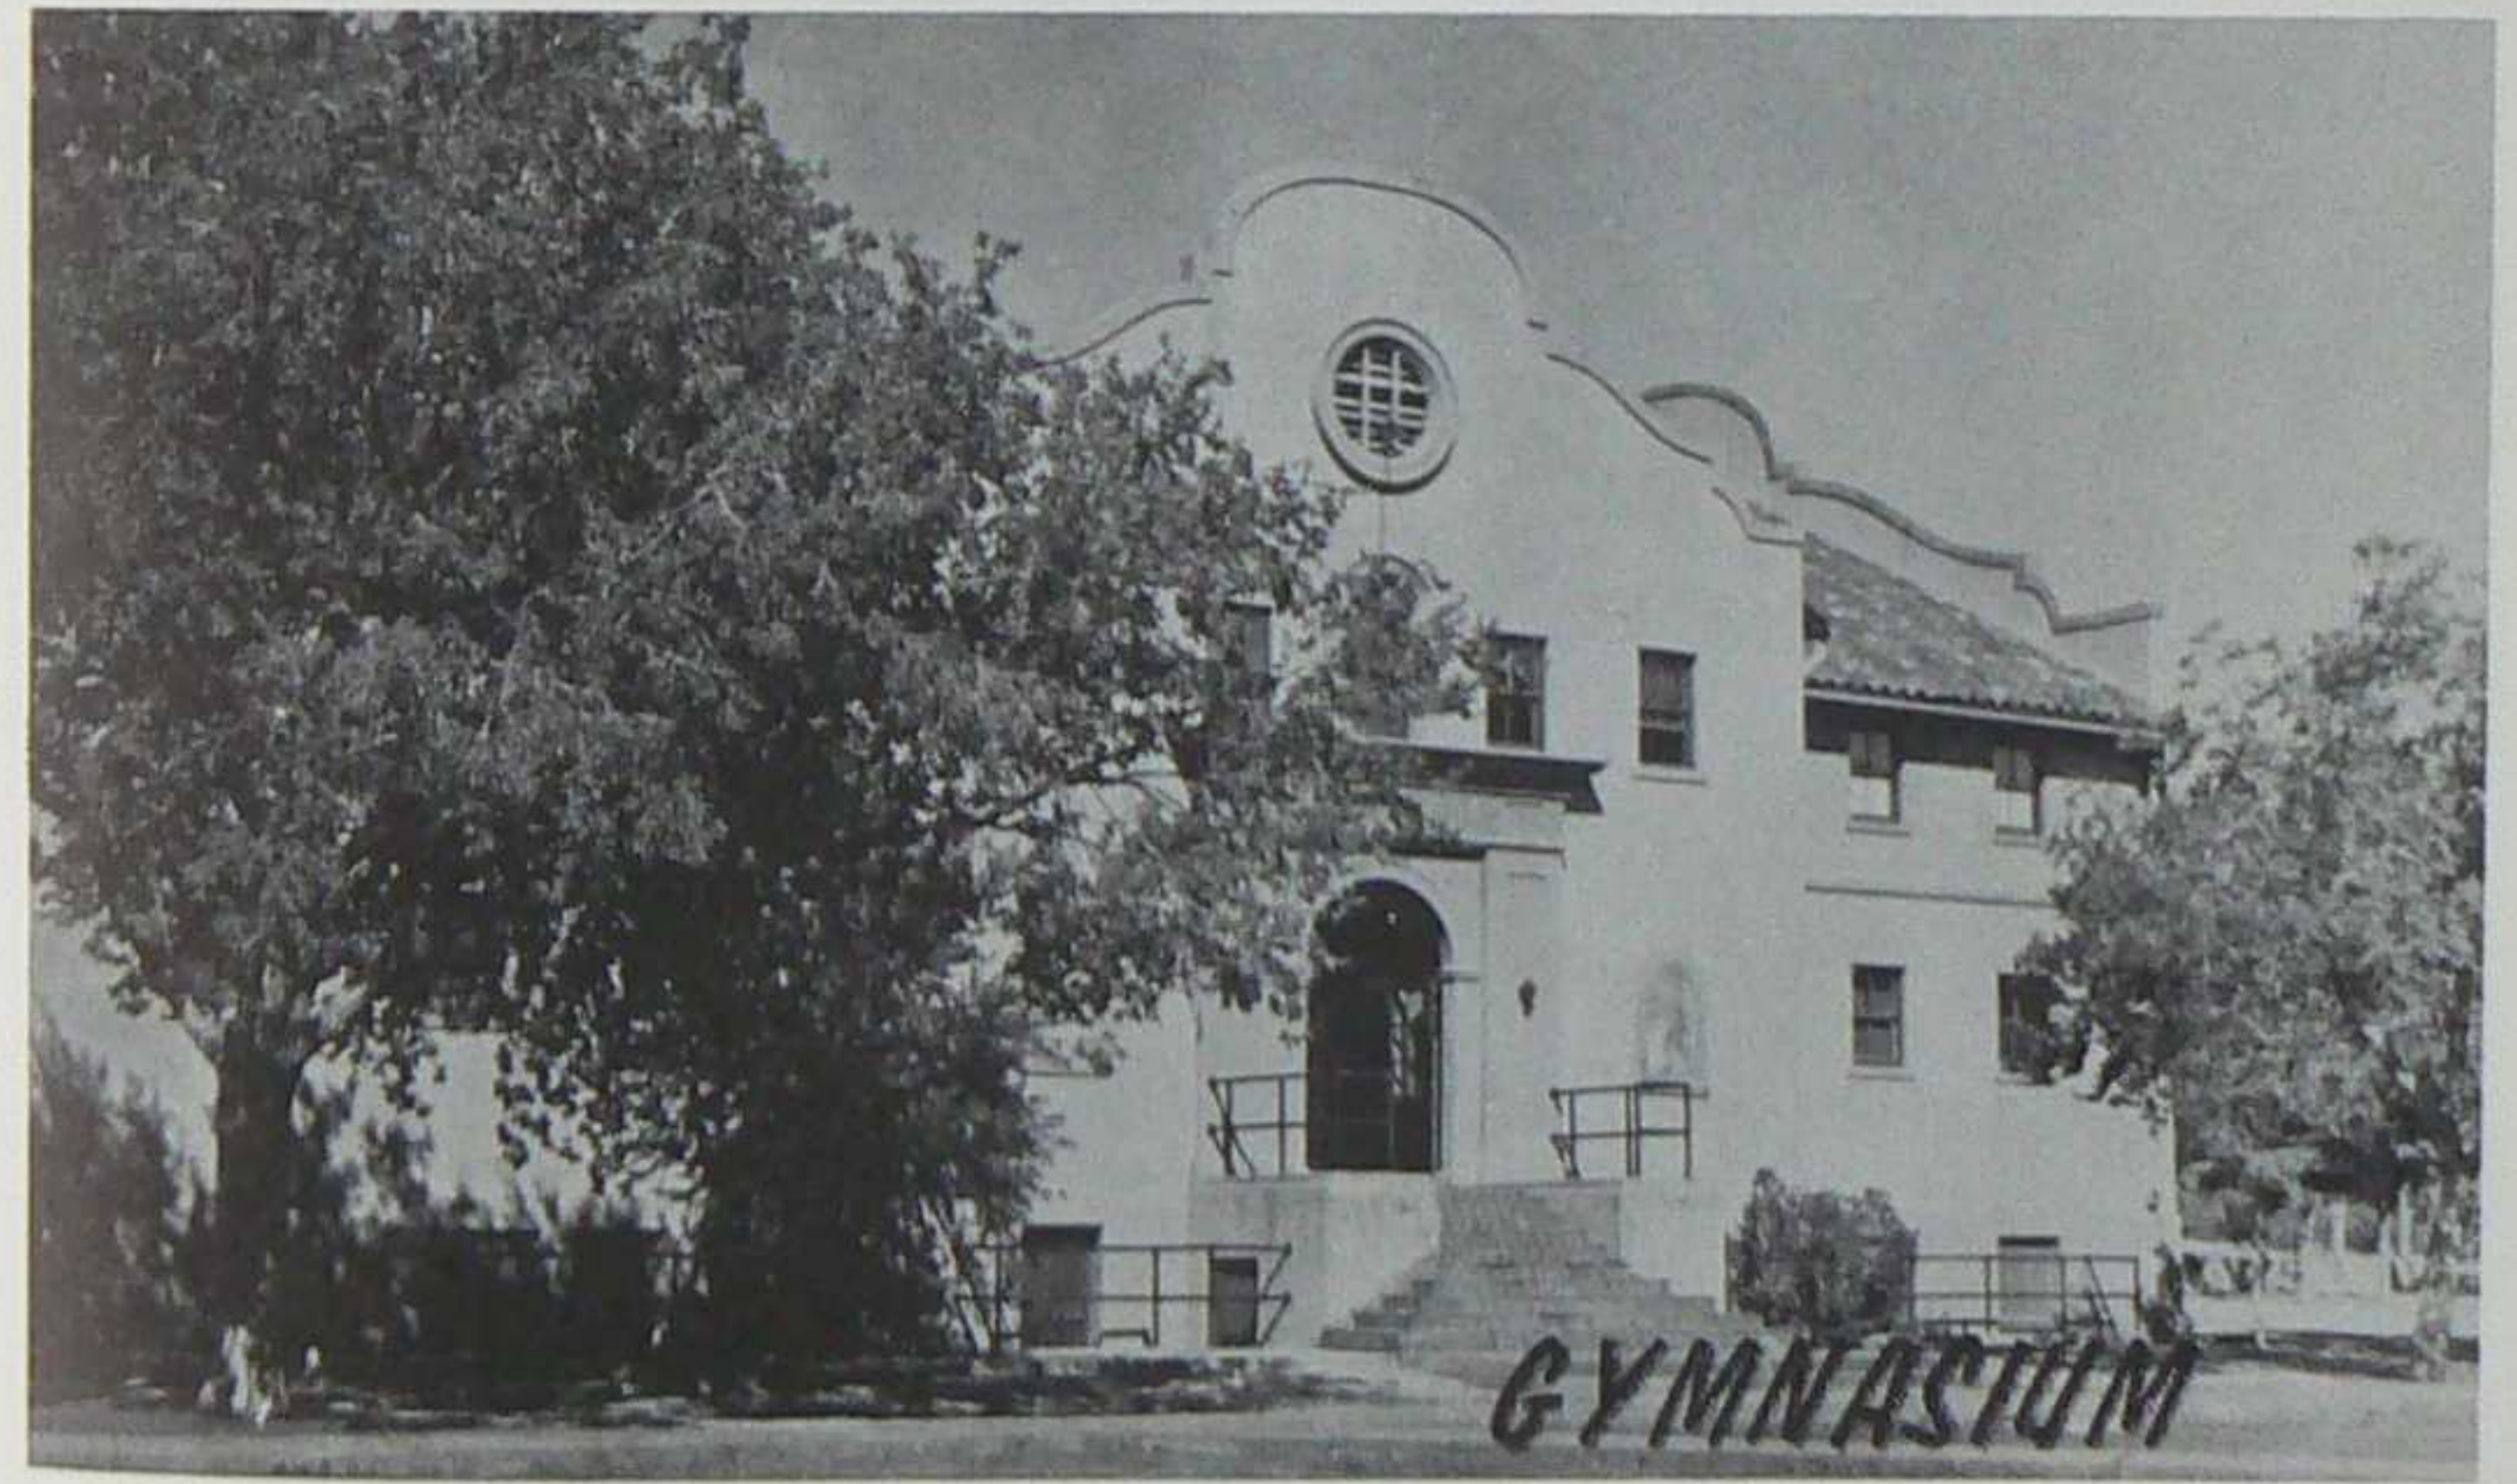

"...you are born and you die. In between is the Calculus!"
 "...memo. from Boy Scout Hdqrs.: 'Come on, gang, Let's earn our wings on the tennis troupe or the vibrating string ensemble.'"

"Look! Gold!"

"Come, Freshies. It's time for your weekly laxative."

"Give me your tired, your poor,...the wretched refuse of your teeming shore. They can play for the faculty."

DRISCOLL HALL

"In memoria."

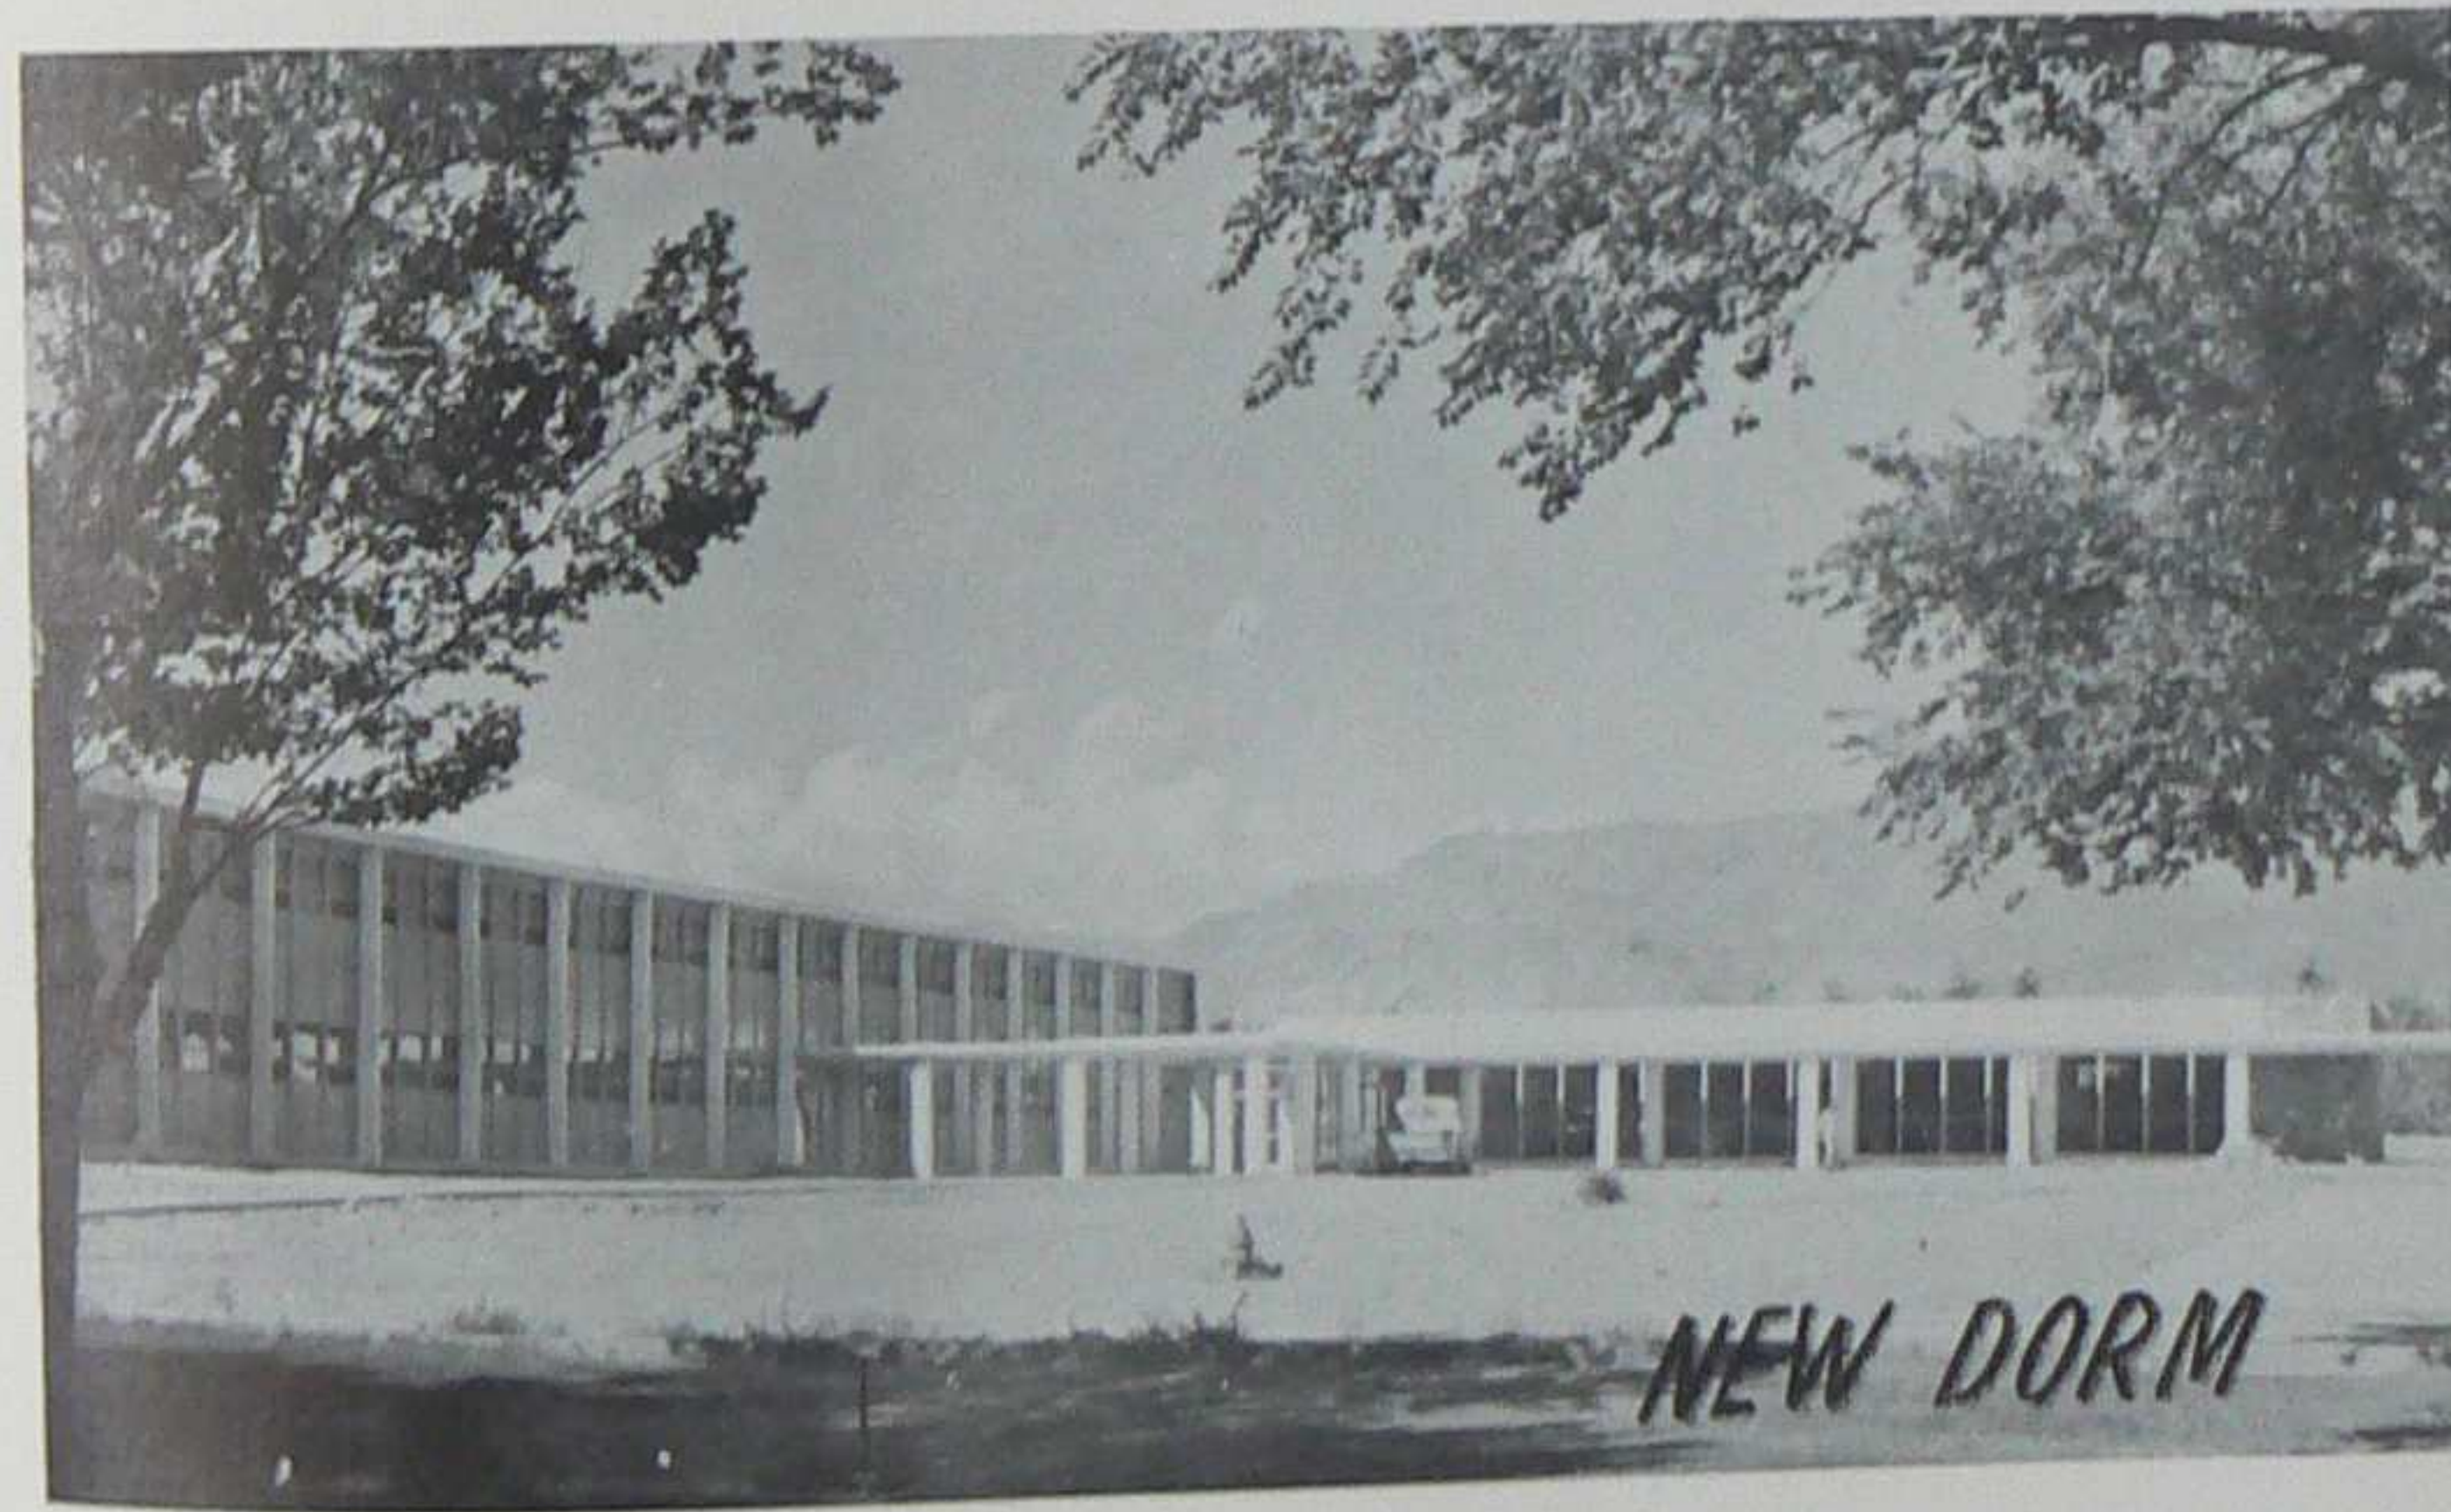

PRESIDENTS' HALL

"K-Boys over Hooks-----FULL!"

FITCH HALL

"The House that Ruth--Lupe, and Lolita--built."
(The ends justify the means.)

NEW DORM

"The Chicken Coop"
"A co-op is trustworthy."
"A co-op is sincere."
"A co-op wears dirty Levis."

"Is itta, bitta fella glad to see his dada wada?!"

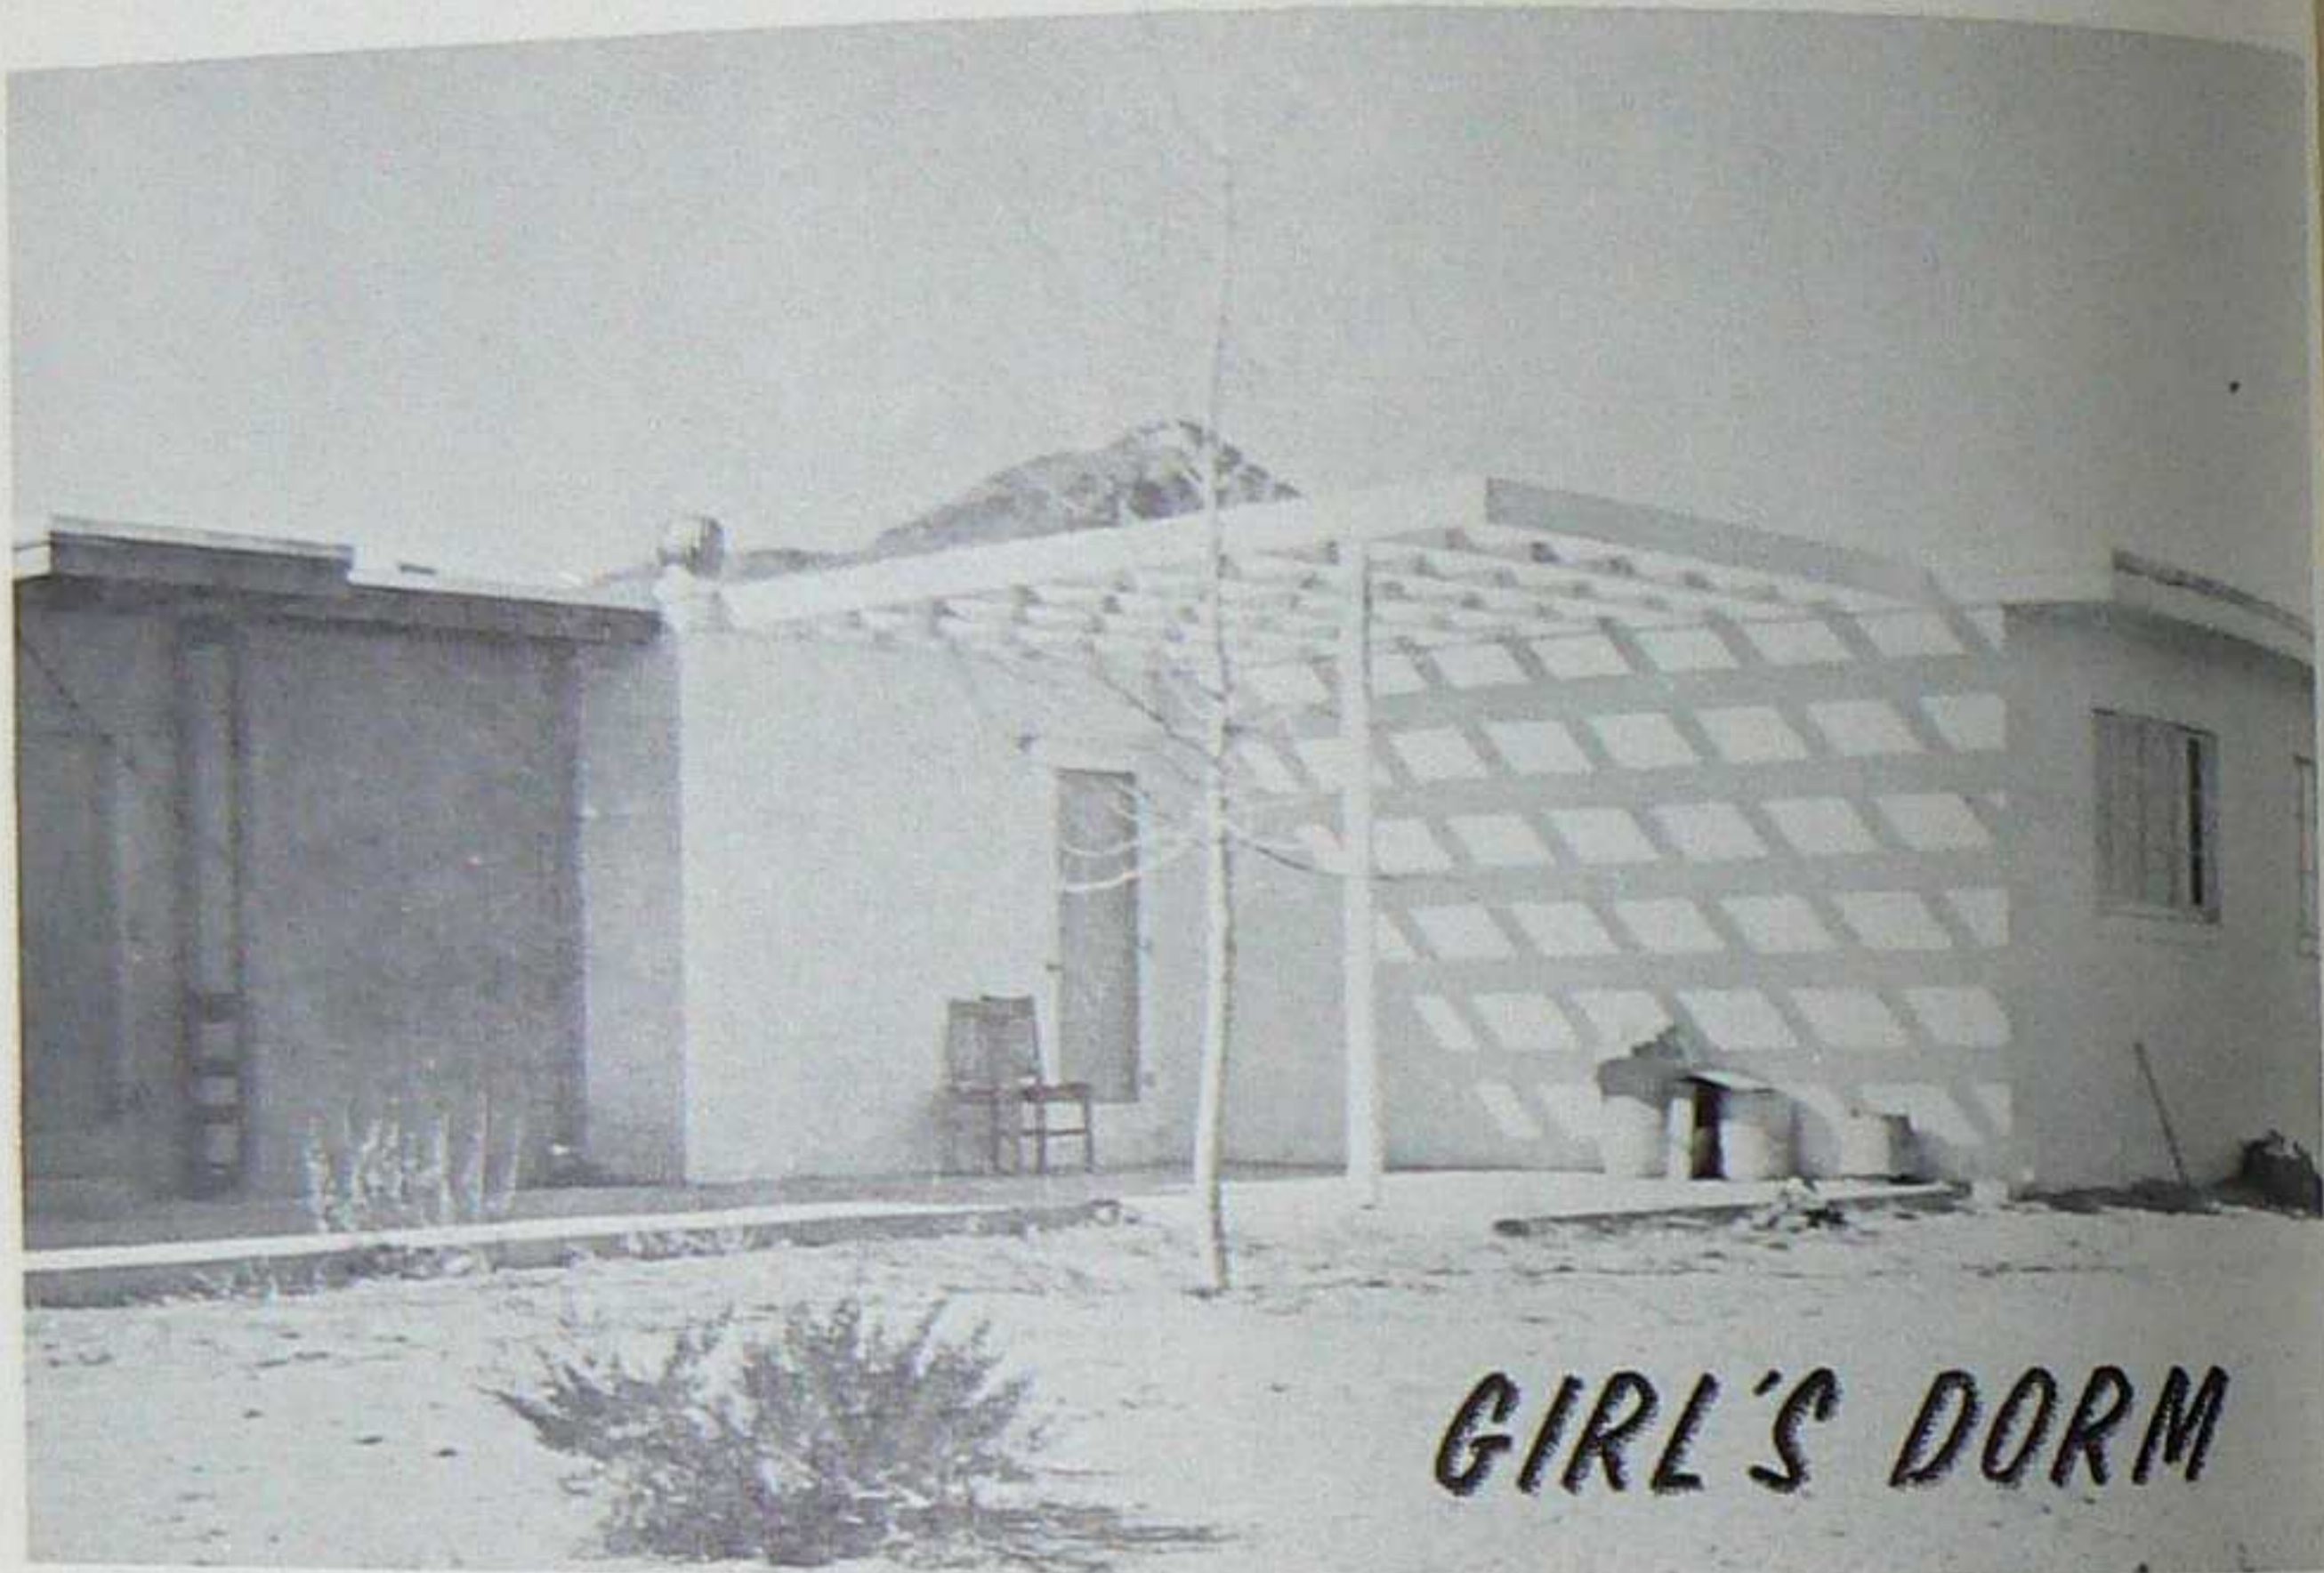

"Eja Kan's Oasis"
(Dates, fruits, and nuts aplenty)

"Gibbons is two up on us. Let's try for twins!"

"...glurb-glurb-glurb-gurgle..."

GIRL'S DORM

"I'd walk a mile for a smooth, smooth....."

MRS. ALICE WADLEY
Girl's Dorm Mother

BOARD OF REGENTS

DR. E. J. WORKMAN

DR. WILLIAM HUME II

I am grateful to the Editor of the Porphyry for the opportunity to express my appreciation to all the students for their contributions to NMIMT in 1958-59, and to remind you that these contributions are important. The institute did not evolve into its present form simply by chance. Rather, its form and character have been shaped by the combined efforts of many people down through the years: the Regents, the faculty, and the students, along with many others less closely related to the institution. This process of growth and development is a continuing one, and our efforts, this year and in the years ahead, will have much to do in determining the share of things to come for NMIMT.

A Good Neighbor Helping to Build a Better New Mexico

This State Mineral Industries Building is proposed for the New Mexico Institute of Mining and Technology campus. It would house the college's mining, metallurgical and petroleum engineering departments. It also would contain oil and mineral resources laboratories of the Bureau of Mines and Mineral Resources.

The steel and masonry building would add

to the educational opportunities

offered by the college

since 1889.
