

**Application for Senate Bills**

Requesting Club/Agency: Society of Automotive Engineers (SAE)

Classification:  SGA Club  Associate Club  Sports Club  Other

If an SGA club, what were your required volunteer hours (last semester): 12

How many hours has your club fulfilled to date: 30

Please detail events where volunteer credit was earned:

Career Fair, NM State Science Fair

Requested Amount of funding: \$ 2,000

Event: Baja SAE Competition (Tennessee Tech)

Location: Cookeville, TN

Event Dates: May 12, 2022 - May 15, 2022

Have you received funding from another source for this event:  Yes  No

If yes, how much: \_\_\_\_\_

From whom: \_\_\_\_\_

Have you fundraised for this event?  Yes  No

If yes, please detail the fundraiser and how much money was earned. \_\_\_\_\_

Student Government Association

If requesting funds for traveling please fill out below information:

# Members Attending: Undergraduate: 4 Graduate: \_\_\_\_\_ Special: \_\_\_\_\_

Method of Travel:  NMT Vehicle  Personal Vehicle  Plane  Other

**FOR ALL REQUESTING AGENCIES:**

Please attach a ONE PAGE (12 pt. font) explanation for your funding request. This should include any additional information relevant to your request and an itemized budget with exact costs and explanations for all necessary items which may or may not include: Supplies and Materials, Services, Equipment, Travel, Registration, Etc.

## Senate Bill

---

Short Title: SAE Volunteer Travel Funds

Agency, Agent, or Individual Proposing: Society of Automotive Engineers

Requested Date of Resolution: \_\_\_ day of \_\_\_\_\_

### Proposing Individuals' Information:

Name 1: Caleb Vigil Title: President

Phone: 505-429-1360 Email: Caleb.a.vigil@student.nmt.edu Campus Box: \_\_\_\_\_

Student/Non-Student: Student Signature: Caleb Vigil

### To the Proposing Agency, Agent, or Individual:

Please attach a typewritten explanation of your needs and/or concerns in double-spaced 12-point format, placing a page number and title on the top of each page. Include all information necessary and pertinent to your argument. State exactly what action you would like the Senate to consider taking and by when you must have a decision. Please take in to consideration that the Senate meets approximately once every two weeks while classes are in session – a schedule is available from the SGA Secretary.

Please see the Manual for Drafting Bills to help fill this page out; it includes explanations and examples for each field. If you have any further questions, please contact the SA Vice President.

Student Government Association

---

### OFFICE OF THE VICE PRESIDENT USE ONLY

Date Presented to the Vice President: \_\_\_\_\_ Initials of Receipt by Vice President: \_\_\_\_\_

Session of the Senate: ( ) Fall ( ) Spring/Summer of the calendar year \_\_\_\_\_

Amount Approved: \_\_\_\_\_

---

### OFFICE OF THE PRESIDENT USE ONLY

Presidential Signature: \_\_\_\_\_ Date: \_\_\_\_\_

## Travel Funding Request

Budget Item	Total
Transportation	
Lodging/Meals	\$ 2,000
Registration/Misc.	

Grand Total: \$ 2,000

Transportation (Vans, Gas, Flights, Rentals, Taxis)			
Items: Highest to Lowest Priority	Quantity	Price Each	Total
Total:			

Lodging/Meals			
Items: Highest to Lowest Priority	Quantity	Price Each	Total
Rooms (3 Days)	4	\$ 250	\$ 1,000
Meals (Breakfast, Lunch, Dinner for 3 Days)	4	\$ 250	\$ 1,000
Total:			\$ 2,000

Registration/Miscellaneous			
Items: Highest to Lowest Priority	Quantity	Price Each	Total
Total:			

## SAE-Baja Competition Information

We, the volunteers on the NMT Baja team through the Society of Automotive Engineers, are requesting funds to travel and join the rest of our team at the competition in Tennessee. It is important that the volunteers of this project have the opportunity to see and participate in the competition before we compete as full members, which will come the following year. The Baja-SAE series describes itself as:

“Baja SAE® consists of competitions that simulate real-world engineering design projects and their related challenges. Engineering students are tasked to design and build an off-road vehicle that will survive the severe punishment of rough terrain. Each team's goal is to design and build a single-seat, all-terrain, sporting vehicle whose structure contains the driver. The vehicle is to be a prototype for a reliable, maintainable, ergonomic, and economic production vehicle which serves a recreational user market.

The object of the competition is to provide SAE student members with a challenging project that involves the design, planning and manufacturing tasks found when introducing a new product to the consumer industrial market. Teams compete against one another to have their design accepted for manufacture by a fictitious firm. Students must function as a team to not only design, build, test, promote, and race a vehicle within the limits of the rules, but also to generate financial support for their project and manage their educational priorities.

All vehicles are powered by a ten-horsepower Intek Model 19 engine donated by Briggs & Stratton Corporation. For over forty years, the generosity of Briggs & Stratton has enabled SAE to provide each team with a dependable engine free of charge. Use of the same engine by all the teams creates a more challenging engineering design test.”
