Spring Travel Costs

NMT Rugby Travel Costs

These trips will prepare us for our run at another National Championship this Spring. We need to see and play against a variety of teams to give our team a good look so we are ready to play the top teams when we meet them at Nationals. None of these costs include food or coverage for the coach, only for the players. Any and all help goes towards not only the rugby club but bringing national attention to New Mexico Tech. This will also enable the players to witness how professional tournaments are run to prepare them for the future when they organize their own events. This is a great learning opportunity for the players to present themselves in a more professional manner through an event they are excited to attend. The players will also have an opportunity to watch the international level of rugby being played right in front of them.
